

About DIMDEX

The seventh edition of the Doha International Maritime Defence Exhibition and Conference (DIMDEX 2022) will be held from 21 to 23 of March 2022, under the patronage of HH Sheikh Tamim Bin Hamad Al Thani, Amir of the State of Qatar, and proudly hosted and organised by Qatar Armed Forces.

Under the vision of “*Connecting the World’s Maritime Defence and Security Community*”, DIMDEX remains steadfast to deliver an unprecedented spectrum of maritime showcases and commercial exchange while providing unparalleled opportunities for exhibitors and visitors in 2022.

Recognised as the industry’s must-attend event, DIMDEX 2022 will continue its endeavour of being a dynamic platform for international exhibiting companies to present the latest industry trends, technologies and innovative solutions to VIP delegations, government representatives and key decision makers, as part of the main exhibition, while the Middle East Naval Commanders Conference (MENC) brings together renowned industry experts and distinguished academia from around the world to discuss the latest industry topics, exchange thoughts and offer modern solutions. The three-day event also welcomes warships from international navies to Hamad Port where the high-tech vessels will showcase its cutting-edge systems on board.

DIMDEX is a biennial event for the maritime defence and security industry and is established as one of the leading events that provides multifaceted entities with unlimited opportunities to initiate significant deals and partnerships.
